4 Bedroom, 3.50 Bathroom, 4,324 sqft

Residential on 0.57 Acres

HELMSLEY COURT, Pikesville, MD

Nestled just off Old Court Road, near Stevenson Road and Greenspring Avenue, this distinguished all-brick residence sits quietly in one of Pikesville's most sought-after neighborhoods. Surrounded by mature trees and thoughtfully landscaped grounds, the home offers a serene, country feel while remaining moments from major routes like I-695, I-795, and I-83. Hidden Waters Farm lies just across the way, enhancing the natural charm of this quiet corner of the community.

Set on over half an acre, this gracious home offers more than 4,300 square feet across three finished levels. A rare main-floor owner's suite provides both comfort and convenience, featuring a spacious, spa-like bath with marble flooring. With 4 bedrooms and 3.5 bathrooms, there's ample space for family, guests, and quiet retreats. The floor plan balances generous square footage with livable warmth—ideal for both intimate evenings and larger gatherings.

Smart home features elevate daily living, including Philips Hue color LED recessed lighting, Ecobee smart thermostats, Ring security cameras and alarm system, electric blinds, and smart water leak sensors. Additional recent upgrades include a whole-home Generac natural gas generator, a new Thermador natural gas stovetop and Miele dishwasher (2024), and an LG washer

and natural gas dryer (2023). Both HVAC systems were replaced in 2018 and 2019, and a new architectural shingle roof with oversized, maintenance-free gutters was installed in 2018.

Outside, the home is equally well-appointed with an automatic irrigation system that keeps the grounds lush year-round and professionally installed landscape lighting that enhances the property’s beauty well into the evening. The corner lot provides space to entertain, unwind, or simply enjoy the tranquil setting.

This is a home designed for longevity—both in its timeless architecture and its effortless, modern livability. An uncommon opportunity in an exceptional location.
